Stanley's 71 Points Heads Major League Evening Hi-City Hoop Play

Bill Stanley, playing for Fenwick's Shoe Repair in the Major Division of the Evening Hi-City Recreation League, comes up as high point man with 71 points in four games as the first round of play wound up Feb. 4.

Stanley also took the high average honors with 17.7 points per game. Sharing the honors with Stanley are three of his team mates who are among the top ten high scorers, "Bud" Smith with 65, Dan Moon with 53, and Don Teske with 37.

Although Fenwick's leads the league with a total of 265 points and has four men in the upper ten bracket, they are in third place in league standing with two wins and two losses.

The Redondo Eagles who are leading the league with a clean slate of four wins have only one man in the first ten high scorers. He is Paul Wierk with 50 points to his credit and a game average of 16.2.

Strangely enough the Eagles have managed to get their points when they count the most, as they have only scored a 229 points total to take third place among the teams' scores. Klinks is second with 230, only a one-point lead, however.

Fenwick's high lead of 36 points over the league-leading Eagles can be explained by a peek at the score book which shows that Fenwick's took one game in the series with a score of 109 points, certainly some kind of a record.

Following is a list of the 48 players who have played during the first round, points scored and game average. The initials in parenthesis following each name indicate the team as (F)—Fenwick's, (M)—Torrance Merchants, (K)—Klink's, (G)—Goodyear, (E)—Redondo Eagles.

UNITY IN PEACE "The unity we had in the war years when we saw the losses and sorrows of war being borne by Americans without distinction as to race or religion . . . is still available as a vital force for peace," is the statement made by the Honorable Robert P. Patterson, former Secretary of War, when he accepted the general chairmanship of American Brotherhood Week. The Week is being observed in Southern California from February 22-29.

Torrance Tennis Team Faces Stiff Bay League Fight

With the withdrawal of Torrance High School from the Marine League last year and entrance into the Bay League,

approval of such a plan and denied Cuttle's request. Cuttle, who as a young engineering student in 1915 laid some of Torrance's first streets, was so impressed with the city on a recent visit to Torrance, that he expressed a strong desire to have his team play here. However, since his request to the San Pedro Athletic Club had not been acted upon and since he was obligated to them until such action was forthcoming, he could not make formal application in Torrance until San Pedro gave him a definite answer.

Les Gebhard, the guiding hand that led the SPAC team to the National playoffs in Cleveland, Ohio last year, has been selected by Cuttle to manage the Torrance National League entry.

Staging a fourth quarter rally, the Santa Monica Vikings came from behind Tuesday afternoon to defeat the Torrance Tartars 48-39 and capture their eleventh straight Bay League game which was played in the local gym. The local Bees lost the curtain-raiser, 56-36.

Sub Forward Sam Polluck scored almost half of the Samohi digits as he dropped in 23 counts.

Captain Paul Smith and Bob Chambers plucked the strings for 15 and 10 points to lead the local cause.

The Tartars jumped to an 8-1 lead early in the first quarter and were leading 12-7 at the start of the second period. Polluck rang the bell for eight straight points early in this quarter before the Tartars could punch the scoreboard again and the visitors took a close 24-22 lead at halftime.

Dick Rupert bucketed four quick tallies as the third quarter got under way and the home town gang was out 'in front 33-31 going into the final period. With five minutes remaining in the tilt and Torrance ahead by a 38-33 margin the league-leaders suddenly caught fire and forged ahead to win the fumble.

Spurred by Forward Charles Mayo the Samohi Bees took their ninth victory of the Bay circuit. Mayo connected for 22 digits. The winners were ahead 13-4 going into the second quarter and held a 40-27 bulge by the end of the third period.

Tom Giatras led the Torrance attack by driving in five out of seven free throws and three field goals for a total of 11 points.

Torrance plays host to Beverly Hills Friday and Leuzinger Tuesday with the Beverly game starting at 7 p.m., while the Leuzinger tilt begins at 2:45 p.m.

Warriors Lose To LA 53-49 The El Camino Warriors were edged, 53-49, Saturday, Feb. 7 by a powerful East LAJC quintet on the Garfield High School court. Gene Sterling, ace left tackle on Torrance High's '47 football squad and named to the second string of the All-Bay League team, recently entered the University of Southern California according to Coach Eddie Cole of the local high school.

Sterling was sought after by San Jose State College and Chaffey College but decided to try his luck with the Cardinal and Gold of 'SC.

Al Stevenson, last year's honorable mention guard on the All-Bay League squad, has also been sought after by San Jose and Chaffey but since he will not graduate until June he has made no definite decision. However, it looks like the Spartan's of San Jose may be his choice.

National Softball Team Requests Use Of Local Park As Home Field

A request in the form of a letter has been received by Dale Riley, superintendent of city recreation, from Dick Cuttle, owner of the Cuttle Pumps softball team, one of the National Softball League teams, asking for the use of the Torrance ball park as a home field, Riley announced yesterday.

Riley stated he would put the request before the City Council at the next meeting with his recommendation that the request be granted. If the city fathers grant the request it will bring to Torrance softball fans one of the best series of softball games ever played here. The present schedule for the Cuttle Pumps, formerly the Montebello entry in the National circuit, calls for an opening game on May 4 with subsequent games to be played on Tuesday and Friday nights until Aug. 4.

Cuttle had asked for the use of Daniels Field in San Pedro and a newspaper poll indicates that the fans were highly in favor of taking National softball to the port city, but recreation officials in Los Angeles, who have jurisdiction over Daniels Field, had expressed their dis-

approval of such a plan and denied Cuttle's request. Cuttle, who as a young engineering student in 1915 laid some of Torrance's first streets, was so impressed with the city on a recent visit to Torrance, that he expressed a strong desire to have his team play here. However, since his request to the San Pedro Athletic Club had not been acted upon and since he was obligated to them until such action was forthcoming, he could not make formal application in Torrance until San Pedro gave him a definite answer.

Newey-Worsham Lead Qualifying Bowling Round

As the Southern California Match Game Singles Championship qualifying round ended at Torrance Bowl Sunday night, Chuck Newey, bowling in the 175-187 class, came up with a high of 748 to lead the men while Margie Worsham knocked down 654 pins to top the list of feminine bowlers.

Newey's closest competitor was Ace Vaughan, trailing him by 89 points with a three-game series of 689. Margie led a field of 26 bowlers to qualify for the quarter-round house championship to be played within the next two weeks.

The top half of the quarter-round finals will bowl three games across six alleys to qualify in the semi-finals. The process will be repeated for the finals with the winner of each

Rifle Firing New High School Sport Started A new sport, rifle shooting, made its debut in high school competition recently, the result of an almost single-handed battle by Clyde Hall, a student at Redondo Beach High School.

Hall, an enthusiastic and dynamic young fellow, has lined up a South Bay League composed of Burbank, Inglewood, Leuzinger, Long Beach Jordan, Loyola, Long Beach Poly and Manual Arts.

Another league is under way in the San Diego area and the champions of the two loops will meet the Southern California interscholastic championship early in April, says Clyde, who was elected president of the South Bay circuit.

Inter-Class Meet Opens Tartar's Track Season

With the first inter-class track meet already behind them, the Torrance track team was rubbing liniment on sore muscles today while Track Coach Eddie Cole hibernated in a corner to look over the results to see what he has to work with for the coming season that officially starts with a meet against Leuzinger on Feb. 27.

He figures that Torrance won't be too strong in the varsity class as many of last year's stars left by way of graduation.

So far, he has Jack Wallace in the sprints, Gilbert Avalos, a prominent hurdler, and also a sophomore who shows a little class in the distance events, Don Rosum. Jim Quinn, pole vaulter and Jim O'Toole, a hurdler jumper are expected to add some points to the team scores.

In the Bee squad, Boyd Crawford looks good with a pole and cross bar. Frank Thompson in the sprints and George Whiting in the distance races also look promising. Bob Shuf-
